About Company -

We are Customer Centria, a global Customer Engagement & Experience Company, born out of a vision to enable enterprises to offer delightful customer experiences to their customers. We enable enterprises to strategise, plan and execute their Customer Engagement Strategies, programs and initiatives. Having commenced operations in October 2008, Customer Centria caters to enterprises globally, catering to verticals such as Banking, Insurance, Financial Services, Telecom, Retail, Airline and Consumer Goods. We primarily work on 4 different platforms, The students will be trained in one (or multiple) platforms.- IBM, Adobe, Oracle, Salesforce Customer Experience, Loyalty and Lifetime Value are the proponents of our business. We do so by leveraging competencies in Technology, Analytics, Interactive and Social Media on the one hand and the best of people, processes and know-how on the other. With our competence, experience and capabilities, we believe we have it in us to enable an enterprise not just to say 'Hello' to their customers, but to chalk out their journeys to 'Happily-ever-After'.
