

Asahi India Glass Ltd. campus drive for BE -Mechanical/Auto 2019 batch and Diploma-Mechanical/Civil-2018-19 batch

About the company- We would like to introduce ourselves as being the largest glass company in India with a turnover of 2600 crore. AIS is transforming itself from being a manufacturer of world-class products to a “Solutions” provider.

AIS has the following four operating business units:

- AIS Automotive Glass
- AIS Architectural Glass (Float and Glass Solutions)
- AIS Consumer Glass (Auto Services - AIM, AIA & WE and Glass Xpert)
- AIS Solar Glass

We have 5 major plants at the below mentioned locations:

- Bawal
- Taloja
- Roorkee
- Chennai
- Gujarat

And 12 assembly units across India.

We are exploring the opportunity for Campus Recruitment of **Trainee Engineer** in the field of **Mechanical, Electrical, Chemical Engineering**. We shall be taking them as Trainee Engineers.

- They will be on a Training for 12 months.
- After evaluating their performance for 12 months, they will be absorbed depending on the vacancy and their performance. On completion of their training if they are not absorbed in case of unsatisfactory performance, the person's employment will be discontinued with us and they will be provided an experience certificate for the duration.
- **The Trainee Engineers will be on an internship period for 6 months where they won't get any salary and after 6 months they will be given a stipend of Rs.20000/- per month for 6 months. After 1 year of training, their CTC will become 3LPA,i.e., Rs. 25000/-per month if found suitable.**

Joining- Immediate

Eligibility: Minimum 60% throughout (10th, 12th and Graduation).(We will consider 58% also)
